

Policy & Procedures - CCTV

PURPOSE

This Policy explains the management, operation and use of a closed circuit television (CCTV) system at Outdoor School.

SCOPE

This policy applies to the installation of CCTV cameras on school grounds and the use and disclosure of any footage produced by those cameras.

This policy is consistent with:

- Victorian government [Schools' Privacy Policy](#) (applies to all Victorian government schools)
- the Department's [Security Risk Management](#) policy
- Victorian privacy law

POLICY

Outdoor School does not have any CCTV operations at either Campus. If we did have we would ensure that we would follow all DET processes and procedures.
