About Bogong

Outdoor School - Bogong Campus, is a school staffed and funded by the Department of Education. Bogong Campus provides programs for Years 7-12 students from Government Schools throughout Victoria and is situated in Bogong Village, North-East Victoria. This is located 15 km from Mount Beauty and 15 km from both the Falls Creek ski resort and the Bogong High Plains. Bogong Village is surrounded by the Alpine National Park. Bogong is 380 km from Melbourne and takes around 6 hours to get there by bus.

About the Future Makers Program

The Future Maker program is delivered with a strong curriculum connection to your school. The learning will be embedded in your school's year nine program and delivered in partnership between Outdoor School Bogong and your school. The purpose of the program is to develop future ready young people. As per Outdoor School's vision to be "educating for sustainable living" students will be challenged to become initiators, leaders and managers of change in a world where they have the ability to influence their own futures.

The program delivers the learning capabilities through hands on experiential learning.
Initially the Future Maker learning capabilities will be delivered within the year nine curriculum, during timetabled classes. The program then involves a two-week residential/journey component where students attend Bogong and undertake a five-day expedition in the Alpine National Park.
Teachers from both the home school and Outdoor School Bogong will deliver elements of the program with a collegiate team-teaching approach.
As parents you will receive a report on your child's learning after the program at Bogong.

Important Parent/Guardian Information

The program will contain activities and events which are different from those experienced at school. Qualified and experienced teachers are responsible for the supervision and teaching of all adventure activities and necessary precautions are taken to minimise the possibility of injury.

Parents/guardians should understand however, that all the listed activities do carry risk of physical injury and that accidents can, and do occur and that Outdoor School has an active and ongoing risk management program whose objective is to provide a safe and effective environment for students and staff.

Activities may include bushwalking, climbing/abseiling, mountain biking, orienteering/rogaining, canoeing, pioneering, high ropes, creek walking, and the sensory trail course. Many of the activities are conducted in remote locations subject to severe weather and natural hazards. In the event of injury or illness, communications or emergency services may be limited or not available for periods of time. This may result in delays in injured/sick group members accessing more definitive care. It is important that students are appropriately insured for medical treatment as the Outdoor School, being a State Government School of Victoria, does not have any insurance to this effect.

Inclusion at Bogong

Outdoor School is committed to celebrating diversity and has a core belief that all students have a right to be a part of our learning programs. For this to happen we understand that individual students may sometimes need adjustments be made to the learning tasks and the program, something we are committed to doing. Furthermore, there will be times when additional supports will need to be put in place to ensure successful access to the learning and we will work with students, home schools and their families to do this. Please contact Bogong if you would like to discuss any additional support needs for your child.

Tips to help prepare your child

- Support Bogong's no phone policy and talk to your child about the benefits of a break from phones and some strategies for coping without it. (For example, a break from social media)

- Ask your child if they have any worries about the program. Reassure them that it is okay to have worries. Talk with them about some strategies to help, possible strategies are:

  - Thinking about who they can talk to while on camp (a friend or a teacher that is going).
  - Talking about the advantages of going on camp
  - Knowing that whilst on camp they can talk to home if it is essential, using a Bogong phone
  - To know that the Bogong teachers are experienced in helping students through worries and difficulties
  - Make a plan for what they can do to relax and take their mind off worries (perhaps bringing a special blanket, a book, a football, a photo, a fidget toy or another relaxation tool).

- Encourage your child to aim for completing the whole program.

- Share any important information with Bogong prior to the program that you think will be helpful to support your child (eg medical, welfare, emotional, or learning information).

- Help your child to pack and source the appropriate clothing from the list.

- Be in touch with Bogong if you have any questions or concerns that your child's home School cannot answer. Especially if you think your child would benefit from Bogong putting some extra support in place for them.

Before Coming You Must Organise

- It must be completed no later than 3 weeks prior to the program commencing.

Personal Clothing and Equipment

- Please read through the list ahead of time and pack all the clothing and essentials to be well organised for the program. Also outlined is the equipment Bogong supply.

Don't Bring Any Food or Drinks

Please do not organise any food or drinks. We have many problems with this when students bring these things:

- Students not eating the excellent food that is provided instead eating and drinking a lot of sugary, snacky foods which does not sustain their energy levels well.
- Students are hyped up and behaviour deteriorates.
- Rubbish and food crumbs/scraps rubbed into the carpet.
- Mice are enticed into the dorms.

General Information

Physical Fitness for the Program

The activities undertaken can be strenuous and it is strongly advised that students and visiting teachers undertake some **fitness training** as part of their preparation for their time at Bogong.

Student Expectations

Prior to the program commencing it should be made clear to students that Bogong is a school operated by the DE, has a set curriculum and **is not a holiday centre.**

Accommodation

Students and visiting staff generally stay in our (two-story) Fainter Lodge. Twenty-eight students (two per room) and two visiting teachers (VTs- a single room each) can be accommodated on each floor. Student rooms are furnished with a bunk bed (two single beds). Bogong will supply a fitted bottom sheet while students are to bring a sleeping bag & pillow. All buildings facilities include modern bathrooms, indoor and outdoor recreation areas, drying rooms and a dining room. Facilities (i.e. wheelchair ramps and specialised bathrooms/toilets) are provided for students with physical disabilities. Refer to the Outdoor School website for more information.

Catering

The Campus employs a chef and assistant who provide all meals and specifically cater for the tastes and appetites of teenagers. For catering purposes, the actual numbers of students and staff from each school needs to be confirmed on the Cumulus online portal three weeks in advance with any special dietary requirements.

Transport

Schools are required to arrange for return transport between the school and Bogong. Outdoor School recommends Falls Creek Coach Service for their reliability and experience with times for getting to Bogong. Local transport during the program may be either self-drive using school vehicles, or by coach. The High Plains Road from Mt Beauty to Falls Creek is declared hazardous from the King's birthday weekend until the end of the snow season and requires a special bus licence to drive on it.

Telephone

Inward phone calls are received between 8.30am and 4.30pm. Outgoing calls may be made at any convenient time by staff or students if needed. Students are discouraged from calling or receiving calls during the program. Bogong has an answering machine at times when the office is unattended. An after-hours phone number for emergencies is provided on the answering machine. Bogong teachers have phones for safety during program.
